THE DISTRICT AT-A-GLANCE

The Butte County School District prides itself on providing the best that small schools can offer. Small class sizes, low staff turnover, strong professional relationships, a supportive community that consistently passes bonds and levies, a lower cost of living, and a calmer, nature-filled life beyond the concrete jungle make Butte County a destination district.

Our district provides K-12 opportunities in two elementary schools and a middle school/high school. Butte County students, from K - 12, consistently show academic growth on a variety of assessments. Every student has a chance to participate in extracurricular activities. Staff participates in monthly professional development opportunities. Elementary teachers work in an Impact Team model that provides support and clarity in classrooms.
