THE POSITION

The Bruneau-Grand View Board of Trustees are seeking a highly qualified, strong education leader to be the next Superintendent of Schools.

THE DISTRICT AT-A-GLANCE

The Bruneau-Grand View Joint School District believes in providing the best academic environment possible for all students. This includes a variety of clubs and activities, sports opportunities, special education programs, and more. Our district includes two elementary schools and a junior/senior high school, and we serve children in Pre-k through 12th grade.

There are plenty of reasons to choose the Bruneau-Grand View Joint School District, starting with our size. A small school district affords teachers the ability to get to know each child on our campuses—not just those in our classrooms. The result is a seamless transition from one school year to the next.

Our teachers are all highly qualified in the subject areas they teach, and they continually strive to improve their teaching through professional development opportunities offered throughout the school year. Additionally, our academic programs ensure that students receive a solid educational foundation upon which they can build and grow.
